

ANGELO
FINE RUGS AND CARPETS

ABOUT US

Founded in 1999 by Fiona De Witte, ANGELO is a Belgian brand. ANGELO collection offers a wide range of handmade rugs mainly: Handknotted, handwoven and tufted rugs. The company has built its international reputation based on its high quality, it's innovative spirit and it's originality. Collections are designed for luxury residential and hospitality projects.

BESPOKE PROJECTS

Our dedicated team studio offers you the possibility to create your very unique and exclusive rug. You have the opportunity to either reinvent our classic with your colours, sizes and shapes, or we can create your own design.

Custom-made specialist, our dedicated team will guide you throughout your project, from the selection of materials to the choice of colours, from initial concept to installation.
