INTRODUCE THE LEGACY OF WILLIAM MORRIS INTO YOUR HOME

William Morris (1834-1896), artist, philosopher and political theorist, was one of the most outstanding and influential designers of the Arts & Crafts Movement.

His legacy continues today with Morris & Co., curating beautifully crafted fabrics, wallpapers and home accessories inspired by his original designs.

The Morris & Co. range of hand-tufted rugs translates some of Morris' most renowned and iconic designs; these timeless rugs are offered in his distinctive and unique colour palette and will add a touch of heritage to any home.

INSPIRED BY THE LOVE BETWEEN FRIENDS
AND THE LEGACY OF A TRULY HISTORIC HOME,
MORRIS & CO. LAUNCH A COLLABORATION
COLLECTION WITH EMERY WALKER'S HOUSE

Sir Emery Walker (1851-1933) and William Morris (1834-1896) had a relationship that bore seemingly endless fruit. With Walker's industry expertise as a noted typographer, Morris established the Kelmscott Press for book printing, a feat scholars refer to as Morris's final triumph. Living a mere stroll away from one another in Hammersmith – and visiting each other almost every day – Walker also collaborated with and supported Morris in the other great passions of their lives.

In a gesture of friendly loyalty, Walker decorated his house almost entirely with Morris & Co. furnishings. To this day, 7 Hammersmith Terrace remains one of the largest repositories of original in situ Morris & Co. designs anywhere in the world. The incredible preservation of the house is due largely to the efforts of Sir Emery's daughter, Dorothy, her friend and co-habitant, Elizabeth de Haas, and, since taking over stewardship of the house in 1999, Emery Walker's House Trust.

This collection marks a moment to be celebrated by William Morris fans across the world. At once a tender recognition of past friendships and lovingly decorated homes, this collection offers something fresh and reawakened for every lover of interiors.

A photograph of a sunroom interior. On the left, a wooden sofa with intricate carvings is upholstered in a dark fabric with a colorful floral and bird pattern. Several blue patterned cushions are on the sofa, and a straw hat sits on the seat. A large, vibrant rug with a green background and a repeating floral and leaf pattern in shades of yellow, orange, pink, and white is laid out on the wooden floor. In the background, there are large windows with dark frames, a stone wall, and several potted plants, including a large green plant in a white pot and a lavender plant in a wooden crate. The overall atmosphere is bright and natural.
