Contemporary Collections

With over 60 years of delivering excellence, we have utilised our knowledge of rug production and combined exceptional design, high-quality materials, skilled craftsmanship, and attention to detail to create luxurious and unique pieces that go beyond functionality and are truly a work of art. We are incredibly pleased to be sharing with you our new catalogue featuring many new designs. The rug collection showcases over 100 collections of rugs, we have continuously developed our portfolio and product styles, with you, our customer in mind.

The new ranges in this catalogue are built from our passion for pushing boundaries and exploring new artistic horizons, as well as a celebration of the talented craftspeople we work with across the world. Some of our rugs featured have been made by hand and are the result of dedicated artisans. Crafted using premium fibres predominantly from wool and viscose, known for their durability, softness, and luxurious texture.

We have meticulously curated a diverse range of designs, the versatile nature of which allows you to select pieces that harmonise effortlessly with any design scheme. Aspirational design is at the forefront of our business, achieved using contemporary colours, patterns, and textures that reflect the latest design trends while maintaining a timeless quality.

Don't just take our word for it, dive in and experience the best in modern rug design.

Rug Information

In this guide we will take you on a journey through the highlights, key components & unique aspects of our collection. Each rug has its own features highlighted by our icon guide.

HIGH LOW PILE

These rugs feature variation of pile height, created by either cut and loop techniques or using the latest shrink yarns to create a textured surface.

DEEP PILE

Rugs showing this symbol have a higher, longer pile. They tend to be shaggier in their nature, for added comfort underfoot.

LOW PILE

Flatweaves and low pile rugs display this symbol. These rugs would be suited to all areas of the home and are generally easier to maintain.

HAND MADE

Our handmade rugs are woven by skilled artisans utilising a number of different techniques, including braiding, tufting and knotting.

CARVED

The rugs showing this symbol have been hand carved to give greater definition of design and depth of pile.

WOOL

These rugs are made from 100% pure wool. A natural and durable fibre that is easy to maintain.

PREMIUM

These are the very best ranges within our collections which use the highest quality yarns and the most labour intensive weaving techniques.

GREAT VALUE

Our entry price point ranges, offering great value for money in the latest designs

SOFT TOUCH

The yarn used to construct these rugs have a very soft touch. There is a luxurious and comforting feeling to these collections, ideal for all living areas or warming up a room.

HIGH SHINE

The rugs displaying this symbol feature a high shine metallic look yarn and are often shinier than the photographic process allows. Shiny yarn will reflect.

CUSTOM SIZE

Custom sizes are available in rug displaying this symbol we can create a rug of any size in this quality. Please speak to your sales rep for more information.

REVERSIBLE

Reversible rugs are patterned on both sides allowing you to flip the rug regularly to prolong life span.

INDOOR / OUTDOOR

Made from water resistant materials, our soft and stylish indoor / outdoor rugs work well in the garden as they do in the home.

SUSTAINABLE

Typically woven from recycled polyesters or polypropylene terephthalate (PET) yarns derived from recycled bottles, our sustainable rugs are sourced from certified suppliers.

DURABLE

Suitable for heavier traffic areas of the home, rugs displaying this symbol are constructed of durable fibres and will wear well with a high level of stain resistance.
